This Fisher & Paykel 7kg vented dryer has multiple installation options with the ability to vent out the front or back.

White

Dimensions

Depth	600mm
Height	830mm
Width	600mm

Features & Benefits

Cares for clothes

Auto-sensing prevents over-drying by sensing moisture levels inside the drum and shutting off automatically. This helps clothes last for longer and reduces energy consumption.

Easy to use

This dryer has a cycle to suit every type of load including Delicate, Heavy and Freshen. Select a cycle with the easy to use SmartTouch™ controls.

Simple installation

Vent out the front or the back with this dryer. A wall mounting kit is included and the control panel can be simply inverted.

Easy loading

The door opens to a full 180° for easy access and loading.
