

E522BLXFDU5

ActiveSmart™ Fridge - 790mm Bottom Freezer with Ice & Water 519L

ActiveSmart™ Foodcare has been given a new addition, an integrated water dispenser providing you with chilled filtered water and an internal ice maker for clean, crisp ice cubes on demand. With no impact on space in the freezer or refrigerator door, this is the perfect addition to the ActiveSmart™ family

EZKleen Stainless Steel

Dimensions

Depth	695mm
Height	Ⓐ 1715mm
Width	Ⓑ 790mm

Features & Benefits

What is ActiveSmart™?

ActiveSmart™ consists of a microprocessor, interior temperature sensors, independently controlled variable speed fans and multiple air ducts. The microprocessor controls how the refrigerator operates based on changing patterns of use.

Easy Living

These fridges adapt to suit your lifestyle by streamlining food preparation and organisation with SmartTouch controls, flexible shelving and storage options and slide out bins and trays.

Sized to Suit

Available in multiple widths, these fridges are sized to suit families and kitchens, large and small. Designed to fit easily in your kitchen, they can sit flush with your bench top with a range of ultra flat or curved doors. Concealed hinges on many models add to a clean, refined appearance.

Designed to Match

The high quality stainless steel, unique surround kits, black finish and the chrome strip detail of the slimline water dispenser, all reflect the styling of our family of kitchen appliances.

Easy Cleaning

Removable, spill safe glass shelves are easy to clean and contain drips and spills. Storage bins and EZKleen stainless steel doors just need a wipe to keep spotless.

Efficient

ActiveSmart™ fridges intelligently adapt to daily use to save energy, cooling, defrosting and using energy only when they need to, without compromising on foodcare.
