### Features & Benefits

#### ActiveSmart™ Foodcare

ActiveSmart™ Foodcare learns how you live. It is technology which understands how you use your fridge and adjusts temperature, airflow and humidity inside to help keep food fresher for longer.

#### Easy slide drawers

The fully extendable freezer drawers let you store large items without a hassle, give you easy access to frozen foods and allow you to separate items like meat and frozen desserts.

#### Easy to organise

There are multiple storage options for you to choose from. Different sized adjustable shelves and door storage give you plenty of room to stack and pack all your groceries. Full extension runners make it easy to remove storage bins and clean them out.

#### Design quality

Our fridges are designed and built using quality materials. We use real stainless steel on our fridges and solid glass for the interior shelving.
