

WA8560G1

## WashSmart™ 8.5kg

This washer is perfect for those who want to spend less time doing the laundry with short cycle times and a 1000 rpm spin speed. The SmartTouch™ controls, soft close ABS lid and flexible finned agitator for less tangling, make this an easy to use machine and self-levelling rear feet make installation simple. Designed to match Fisher & Paykel Vented or Condenser Dryers.

## Dimensions

Depth	600mm
Height	Ⓐ 1045 - 1075mm
Width	Ⓑ 600mm

## Features & Benefits

### What is SmartDrive™?

Fisher & Paykel SmartDrive™ machines are made of just three main parts: a small computer, a flexible agitator, and a simple direct-drive motor. This means washing machines that can sense each load, use less water and run with less moving parts.

### Fastest Full Load

At between 59-69 minutes to wash a full 8.5 kg load, our 8.5kg Top Loaders are up to 112 minutes faster than other brand 8.5 kg top loaders. Based on Performance Standard AS/NZS 2040.1.2005 Performance of household electrical appliances – Clothes washing machines.

### SmartTouch™ Controls

The SmartTouch™ Controls access SmartDrive™ technology through 6 cycles: Regular, Heavy, Delicate, Wool, Allergy and Quick.

### Soft Close Lid

Our washers have extremely robust, soft-close glass or ABS plastic lids. The kitchen-quality soft close mechanism makes them family-safe, avoiding slamming and jamming.

### Flexible Finned Agitator

Fisher & Paykel's flexible finned agitators ensure less tangling and provide great clothes care.

## Specifications

### Capacity

Total capacity	8.5
----------------	-----

### Consumption

Energy usage	568 kWh/year
Star Energy	2.5
Star Water	3.5
Water Consumption l/cycle	96 L

### Performance

Detergent	Regular
